

2018 Rum Regatta
Lowry Bay Yacht Club
9 December 2018

Notice to Competitors

Changes to Notice of Race - LBYC Rum Regatta 2018

It was decided to increase the number of spinnaker divisions from 1 to 2.

4.2 Yachts will race in the following divisions.

- (a) Spinnaker Division 1
- (b) Spinnaker Division 2 (smaller keelers & trailer boats)
- (c) Cruising Division - Non spinnaker (classics will race in this division)

From race 2 onwards this is to allow the 2 divisions (Div 2 will do 1 less lap than div 1) to finish at similar times and thus reduce wait time between races.

As race 1 Incorporates the Interclub Series race 4, both divisions 1 & 2 will start together and race on the same harbor course to allow results to be used for both the Interclub Series and Rum Regatta. From race 2 onwards the 2 divisions will be on different laid mark courses and separate starting procedures.

The race committee will decide the makeup of the 2 divisions primarily on handicap. This will be done prior to the briefing at 0900hrs 9 December
