

## Royal Port Nicholson Yacht Club 2024-2025 Inshore Championship

### Notice to Competitors – NTC05 Change of Schedule

For the 2024-2025 season, the three keelboat clubs in Wellington committed that we would keep our racing calendars clear when another club had a significant regatta, e.g. our Port Nicholson Regatta, Matariki Regatta for Evans Bay, and the Rum Regatta at Lowry Bay.

When we finalised our calendar, we still scheduled club racing for the same weekend as the **Lowry Bay Rum Regatta—7th/8th December**.

The following change in our schedule is to accommodate Lowry Bay's major regatta for the year - to which we are all invited. This change will still enable us to complete the Spring Championship Series before Christmas.

The key changes are:

- Latitude Race moves from 30th November to 1st March.
- Island Bay Race moves from 7th December to 14th December
- 2 Handed Series/Spring Championship/Gin Series moves from 14th December to 30th November.

This leaves the 7th and 8th of December free for RPNYC boats to enter the LBYC Rum Regatta. This event will be a ton of fun, and we encourage RPNYC boats to support it. There will be no club racing scheduled for these dates.

These **change NoR 7.2 Schedule - Chronology of Races 2024-2025**.
